MEMORANDUM FOR: Chairman, SECOM

FROM :

[REDACTED]  
 Chief, Policy and Coordination Staff  
 Operations Directorate

SUBJECT : Revision of DCID 1/10 and DCID 1/11

REFERENCES : A. SECOM D-604, 9 August 1979

B. SECOM D-605, 9 August 1979

1. C/IMS/DDO, to whom References were addressed, has asked me to respond to your request for Operations Directorate comments on Subject revisions.

2. We offer the following comments:

a. DCID 1/11 draft revision:

X NO (1) Paragraphs concerning mission and functions might desirably include a general authority, e.g. "To perform such other functions as may be necessary to assist the DCI in meeting his security responsibilities." Without such an omnibus statement, the current draft may exclude necessary functions not explicitly listed.

NOX (2) Function 2(c) does not appear to have a corresponding authority under "missions."

NOX (3) "Community responsibilities" (para. 3) do not appear covered by either "missions" or "functions."

YES (4) Paragraph 1(f) may benefit from re-phrasing.

OFFICIAL USE ONLY

Approved For Release 2005/08/02 : CIA-RDP87B01034R000500090023-7

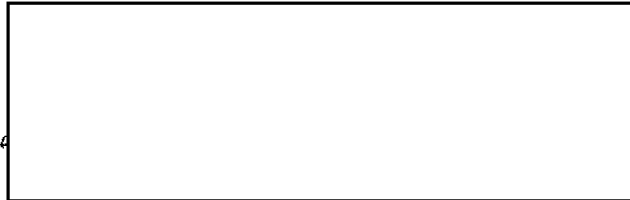

(5) Paragraph 1(i) of Attachment 1 refers to "foreign technical surveillance countermeasures ... employed ... against U.S. installations or personnel." It is not clear how countermeasures equipment is capable of such use.

b. DCID 1/10, paragraph 2, refers to certain information "normally classified not less than Confidential." It may be desirable to re-phrase this statement reflecting the fact that there is no classification less than Confidential.

c. It would seem that the draft regulations could be shorter.

3. The above comments are in the nature of suggestions. We take no substantive issue with the drafts as presented.
